

Make Your Own Magic Wand

Materials

Star Pattern
Plastic Straw
Glue
Glitter
Markers, paints,
colored pencils or
tissue paper
Scissors

Print sheet and decorate stars with markers, paints, tissue paper or colored pencils.

Cut out stars, apply glue to backs and glue together with a plastic straw inserted between the two star layers. Flatten end of straw slightly if necessary.

Apply thin layer of glue to star then sprinkle glitter on both sides, or use glitter paints or glitter pen glue to add magical sparkle.
